6. Old Business

- * Updates on the project proposals:

Project Proposal by M. Farrell Charney

Farrell proposed applying for State and Federal grants - "Sustainability Connecticut"

Board of Selectmen have to pass a resolution - they haven't

Warren talked to Nancy Gorski about reviewing "Sustainable Connecticut".

There is nothing to lose by applying for grants. When applying - read the fine print.

7 Follow up discussion of KCC members ideas for community communications

during the Covid-19 restrictions on social distancing.

Vecchitto KCC article will come out in May (Killingworth Krier)

8. New Business

Pollinator Pathways

Warren spoke to Congresswoman Goupil - Clinton Conservation Committee are working hard on Pollinator Pathways

Also Parmelee Farm Committee are involved in PP

Warren - will send everyone on KCC an article on PP. WE should try to get adults involved - the Garden Club said they'd get involved

Recycling

Elizabeth Disbrow sent a recycling article on "Recycling Textiles" to Warren

Warren said this would be good for Killingworth - She will forward it to the KCC so that we can discuss it at the next meeting

Martin said he'd spoken to Nancy Gorski on PFAs -she agreed to speak on PFAs at the next KCC meeting - also that at some point there will be a Town Meeting on PFAs

The affected area to date is north The Beechwood Community,

south Route 80, east the end of Wolf Lane,

west furthest west on the Killingworth Elementary School property
