Subject: Regarding Inland Wetlands Commission Agenda of 3/14/23

Gentlemen,

I'm writing in support of Application #W-5-23, that of Robert Clark and Lynn Monahan for a 2 car detached garage at 232 Route 80.

To the best of my knowledge all the years that we've owned our property of 243 and 247 Route 80 and the lot across the road which is contiguous with their land, Robert and Lynn have been excellent land and water course stewards.

I trust the Commission will provide them the best opportunity to utilize their property as requested regard and as is advised under the Commission's purview.

Thank you for the opportunity to voice my support.

Best Regards,

Laurel Poletti
